

DVSA Newsletter

President's Message

As we approach the end of the summer, I hope that all of you had a good summer and were able to enjoy a lot of your outdoor activities in spite of some very warm temperatures. Since the last newsletter, there have been the some significant changes at Sunoco: the pending sale of the company to Energy Transfer Partners, the pending Philadelphia Refinery joint venture with The Carlyle Group, and the sale of the Marcus Hook propylene facilities to Braskem. We all have a lot of questions regarding how these sales will impact the current retirees but until the transactions actually close and the details of the sales are available, definitive answers to our questions may not be possible. DVSA has been in contact with appropriate Sunoco representatives and have posed a number of questions about the impact of these transactions on retirees. As soon as answers to our questions become available we will pass that along to our membership.

The DVSA board continues to look at our cost structure and work on balancing our costs with expected revenue. Where members have the ability to receive communications/newsletters, our largest single cost category, by email, opting for email will help reduce DVSA costs. Printing and postage is the single largest cost for DVSA.

President's Message – -- continued from p1

While DVSA can hold the line on a lot of our costs by making changes, the escalation in the cost of food is one that is beyond our control. The cost to us for the meals provided by Springfield Country Club has been creeping up and we find that, in order to keep DVSA on solid financial footing, we will need to increase the member's cost for luncheon from \$18 to \$20 and this is reflected in the cost of the September luncheon. We hope that this modest cost increase will not deter you from taking advantage of this opportunity to keep in touch with your friends from your Sunoco days.

In the Spring newsletter, we told you about a planned evening gathering at the former Sunbrook facility. The date is now set for October 19th, 5 to 8PM, and there is more information on the event in this newsletter. Plan to attend, remember some of your times at Sunbrook and enjoy the company of your fellow Sunoco alums in another setting.

We continue to make changes and improvements to the DVSA web site and hope it results in a tool that you find easy to use and provides you with the information you need. One of the changes you will read about in this newsletter is the ability to register online for the September luncheon including the ability to include a contribution to the Food Cupboard. We are investigating the possibility for paying for luncheons and contributions online, thus saving you the cost of postage. More on this in a later newsletter.

Hope to see many of you at the September 18th luncheon. A brief description of the speaker program is included in another part of this newsletter.

Sunoco Reunion at Sunbrook

We are excited about the upcoming reunion of former Sunoco employees, retirees, and current associates of Sunoco, which will be held on Friday, October 19, 2012 at the former Sunbrook, now the Villanova Conference Center.

The reunion will be from 5 to 8pm, and light hors d'oeuvres will be served. There will also be a cash bar.

The first such event occurred last year, and it was a great success, so we have decided to host this gathering again. Space is limited, so reservations are on a first come, first served basis.

The registration form is attached as page 5 of this newsletter and is also available on our website, www.DVSA.co Payment of \$35, payable to DVSA, should be included with the form and mailed to Ken Fulmer, P.O. Box 201, Blue Bell, PA 19422.

Can't wait to see you all! Spread the word!
