President's Message

Hello fellow DVSA members. As Thanksgiving has just passed and we prepare for Christmas and New Year's, and other holidays this season, let us do give thanks for all we have, and move forward with hope into 2022.

After much discussion, the board decided to cancel the December holiday luncheon this year. Given the demographics of our group, we felt we should be cautious and not do an in person gathering. As a result, we plan our next luncheon in May of 2022.

The dates for the luncheons will be posted on the website as they get nearer, but we have booked dates with the Springfield Country Club. Of course, like everything these days, the cost of the luncheons has gone up by over 10% for next year.

Our operating expenses were reduced in 2021 because we did not have any luncheon events, but we still have costs for maintaining the website, and our member software. As part of preparing for 2022 we will keep dues at the same level as they have been for the past several years. Membership comes due every January, and we hope you will rejoin the DVSA to keep the organization going.

As with every holiday we also ask that you consider gifts to our charities we support at Children's Hospital, and the Ronald McDonald house. We also encourage support for the food cupboard.

Holiday Luncheon – CANCELLED

Aetna presented an update on the 2022 medical benefits plan for former Sunoco employees who are eligible for the plan.

This was an online/audio call by Aetna representative for Sunoco/ETP.

The presentation deck is available for members to look at on the DVSA.co website. In order to have access you have to login as a member.

We are sending a membership renewal form, but we also encourage you to go online to renew and pay online. We accept credit card and PayPal. Please include your donation amounts as you submit it. You can also pay via check with the attached form.

Kindest Regards,
DVSA Board of Directors

Membership Renewal – 2022

Name: _____

Address: (if changed) _____

Email (if changed) _____
