President's Message

WE ARE BACK!

The DVSA is planning to resume our in person luncheons beginning with our next planned date of May 10th. We recognize that COVID is still out there, so each person must determine if they feel safe to come. Certainly, we hope that the majority of you will have been vaccinated and booster. It is not required but strongly encourage that you do so.

We also will leave it to everyone to decide if they want to wear a mask at the social times. Certainly, when we sit down to eat, masks will not be practical, so there are some risks and everyone will need to decide if they are ready to resume social gatherings. We will be indoors. We did consider having the event outdoors but there is a lot of risk with weather there and it could be unpleasant, so we are indoors in one of the event rooms at Springfield Country Club.

We do invite everyone to come that feels comfortable to do so, and to bring a guest or invite a former colleague to the event.

We hope to see you all for the first time in 2 years. I know you are glad to be getting closer to a new normal.

Please consider donations to the food cupboard with your registration and check on your dues status when you login online. Thank you!

2022 President, DVSA
